The best way to communicate with me is: Talking to her. She says what she does and doesn't like to do.

Things I like to do: Being outside, riding her bike, doing crafts, coloring, swimming, playing with her baby dolls, playing Uno, Go fish & doing puzzles, playing games on the tablet, watching you-tube and tiktok.

Things I need help with: Being confident that she can do things. Using details to describe, compare, and contrast things. Putting things in sequence. Learning about customer service skills.
